## Can I analyze single dish data using CASA?

Imported User 43 - 2023-11-01 - Historical Articles

It is possible to reduce single dish ALMA data using tasks within CASA. Information on these tasks and tools can be found in the [CASA User Reference & Cookbook](#).

We have an ALMA Single Dish Tutorial in the [CASA Guides](#).

Information on the Single Dish pipeline can be found on the [ALMA Science Pipeline Documentation](#).
