Can I make a single dish observation in Cycle 0?

Imported User 55 - 2024-10-08 - Early Science - Cycle 0

Single-dish observing modes are not available for Cycle 0. Please see section A.3 “Array configurations” in Appendix A “Capabilities for Cycle 0” of the [ALMA Cycle 0 Proposer's Guide \(ver. 1.1 May, 2011\)](#).

□

Single-dish observing modes shall be available for the future cycles.
