I have a reduced ALMA data product. Can I place that in the ALMA Archive?

Felix Stoehr - 2020-09-21 - Archive & Data Retrieval

We are not accepting user-donated ALMA data products into the ALMA archive unless they are part of Large Programs.

We would be very much interested in learning about your motivation and the requirements you have, so please write us a Helpdesk ticket. We also may be able to suggest a suitable repository.
