## Why can't I see ALMA Science Verification data in my search results?

Felix Stoehr - 2020-09-21 - Archive & Data Retrieval

As of 2018 ALMA Science Verification data can be searched for and downloaded from the ALMA Science Archive interface at <https://almascience.org/aq>. They are also available from the ALMA Science Portal at <http://almascience.org/alma-data/science-verification>.
